Dear Parents and Carers,

As you are aware we recently received a visit from Ofsted. This was a routine visit as part of the Ofsted Inspection of schools framework. Over recent years the inspection framework has changed greatly, raising expectations on the standards of teaching and achievement in particular. The full report will be available for you to read in a few weeks' time. We would like to thank all the parents and carers who have provided feedback, both through the Parent View Survey during the Inspection and also through the Parents' Evening Questionnaires and the Annual Parents' Survey. The views you express are very valuable in helping us to know what we are doing well, and where we need to improve. I also want to thank the pupils and staff who made sure that their pride in our school was very much in evidence during the inspection. Thank you for your continuing support.
