Dear Parents and Carers,

Roald Dahl Day

Thank you to all the families that participated in this special day. Thank you to Ms Sultana for organising this. We raised **£140.00** which will be sent to the Roald Dahl Charity for children in need. Go to our website if you wish to see some of our great photos of the day

Enrichment clubs

These will commence W/B 26th September. There is a new system that means parents will need to pay online if you wish for your child to participate in the enrichment clubs after school. There are a number of lunch time clubs that children can also participate in during the school day.

Brass instruments

We are missing a number of brass instruments. If your child was learning a brass instrument last year and did not bring it back at the start of the school year please can you do so as a matter of urgency. They are needed for our Year 5 pupils who will start learning this year.

Guitar lessons - Small groups of 1-3 in Year 4-6

We have an opportunity for children to learn the guitar. We are lucky that the teacher is our ukulele teacher Mr Thorp, who as we know is an outstanding musician. Therefore your child will make good progress. Learning the guitar involves lots of practice and commitment so please bear this in mind if you decide for your child to learn this exciting instrument! Lessons will take place in the lunch hour.

PE kit

Please ensure that your child wears the school PE kit for their PE lessons. Hollydale is a healthy school, therefore pupils are expected to participate in PE which is a part of our broad and balanced curriculum. Thank you in advance for your cooperation.

Sainsbury's Vouchers

In exchange for our vouchers, we have just received our sports and cooking equipment from the Sainsbury's active voucher scheme which we are looking forward to using with the children. Many thanks for all your support.

**With best wishes,
 Ms Reid**

Attendance & Punctuality week beg 12/09/16

Lost property giveaway
 We have a large supply of lost property that is in **superb condition**. This has all been washed and will be available for parents to take if they **wish on Friday 16.9.16 at the end of the school day**.

School Money
 Please use School money to pay for enrichment clubs. Please see the school office if you are experiencing any difficulties with logging on. The target is that 100% of parents are using this for all school payments.

Reading practice
 Please ensure that your child is reading every day to support their reading skills. Visits to the library and reading with your child at home will really help your child to access the reading curriculum. Many thanks for your support!
