Dear Parents and Carers

Friends of Hollydale (Parents Association)

The Friends of Hollydale play such an important part in ensuring our children's school experiences are enriched with fundraising events and experiences. With the current climate of ever increasing academic demands and the financial constraints of the demising budgets we need as much support as possible! The Friends of Hollydale will now have regular coffee mornings which are great for both socialising and to discuss ideas, the next one is scheduled for: **9 February between 9-10am** in the downstairs hall. Please come along and let Karen Jones, our Parent support worker, know of any ideas that you may have to support our school.

Sickness bug

We have a lot of staff and children off with vomiting, sickness and diarrhoea. **The advice from the NHS is:** Stay at home if you're suffering with sickness and diarrhoea to avoid spreading the infection to others. **Norovirus, which causes diarrhoea and vomiting, is one of the most common stomach bugs in the UK. It's also called the "winter vomiting bug" because it's more common in winter, although you can catch it at any time of the year.** Norovirus can be very unpleasant but it usually clears up by itself in a few days. You can normally look after yourself or your child at home.

Number day: School Council Fundraising event Friday 5th February 2016.

NSPCC Number Day is a fun, nationwide maths fundraising event for children and young people of all ages that helps raise money to support the NSPCC. The children of Hollydale will be able to participate in Maths activities throughout the day. The pupils will be able to wear their own clothes with digits or number on them for a donation of £1.00. All monies will be donated to the NSPCC.

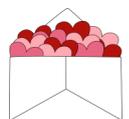

Hollydale Primary school Twitter Feed

On a weekly basis, the staff at Hollydale will regularly tweet learning experiences, that happen in classes and around the school. If you are not already doing so, we would like all parents and carers to follow us! You will be able to find out so much more about what happens in our school form week to week.

Please sign and return the slip to the school office if you wish for your child to attend. Please see Karen Jones (Parent Support worker), if you can make valentine cakes or biscuits or help out on the day of the disco. Thank you in advance for your support!
