Dear Parents and Carers,

Building Works

The building works at Hollydale school will continue for most of this term. The progress that is being made around the building, is becoming more evident each day. The children have coped with these building works really well and are excited at the fact that we are improving the school building and the playgrounds. Please continue to take care when you are on the school site whilst these works continue.

Black History Month Assembly 2016

Well done to all of our classes who performed in assemblies over the last two days celebrating Black History Month. Thank you to the many parents who were in attendance.

ESOL Classes for parents

We had seven parents who attended our very first ESOL class this week. These classes are for parents who wish to improve their English as a second language. Please see Carol Knowles our Family Support worker via the school office if you wish to attend these classes. They will be taking place every Wednesday in the school house between 1.30pm and 3.00pm.

Class Representatives 2016

Hollydale School is proud of its strong positive community spirit amongst parents, teachers and children, and encourages the active involvement of families in the functioning of the school. We would like each class at Hollydale to have 2 volunteer parent/carer representatives, to liaise and support the classroom teacher, keep parents informed about whole school events, as well as encouraging parents to become involved in their child's learning. The main focus of the role is to create an atmosphere of cooperation, optimism, support and care for pupils and the school. The Class reps are an important role in the school community and your time and effort will be greatly appreciated. Please complete the class reps form or make an appointment to see the family support worker if you have an interest in this role. Thank you in advance for your cooperation.

Y5 Debating workshop

Today our Y5 classes took part in a national debating workshop to develop speaking and listening skills and confidence at debating. All of Year 5 have the opportunity to attend debating classes after school this term on a **Thursday** between 3.45– 4.45pm for 16 weeks. The workshops will be facilitated by specialists and will cover a range of topics and current issues. Good attendance is vital for the children to benefit from this. Please ensure the slip is returned.

Best wishes for a restful weekend.

Headteacher
