Would you like to join the 'Friends of Hollydale' School?

We'd like to build on the tremendous community spirit that our parents generated last year and continue raising such vital funds for our school. To do this we desperately need to more members to join the 'Friends of Hollydale'. The current Friends of Hollydale are keen to support new team members. We know how busy everyone is and that volunteering for the Friends of Hollydale committee role sounds daunting, but it is very rewarding. The aim of the committee is that there will be more people to help, less responsibility for individuals, less of your time needed, but even more money raised. We have a Summer Fair on the 30th June for the school community and we will need lots of support! If anyone is interested, please see Kathleen Costelloe our family support worker in the playground or email us at admin@hollydale.sch.uk.
