

We have had another busy week of learning **AND** we have also survived the heat which has been a real challenge! The teachers have been writing end of year reports and it is great to read that the children of Hollydale have worked so hard, as well as them enjoying their learning. Thank you to all the parents and carers who have supported the school and their children, by giving them the confidence: 'To be the best that they can be! Your child's end of year reports will be ready for collection **on 12th July**. We look forward to seeing lots of parents at sports day on the **17th July**. Donations of water, blueberries, apples and oranges on the day are most welcome!

Best wishes for a fun filled weekend! Ms Reid

Y2 Oak Class Assembly

This was a wonderful opportunity of learning in year 2. The children displayed confidence and enjoyment. We found out lots about what they have been learning in their science topic on plants and animals; which was also clearly linked to other areas of the curriculum. The high expectations and standards in year 2 Oak Class, was clearly evident, demonstrating also that the children have had a very successful year of learning this year at our school.

Thank you to the many parents and carers that were in attendance. This always makes a big difference to the children.

Sports Day

Our sports day takes place on the **17th July 2018**

Parents and carers are most welcome to attend at Haberdasher Askes playing fields. **St Asaphs Road. SE4 2EN.**

Children are expected to wear full PE kit and bring lots of water!

Reception and years 1-2: 9.30-12.00 (children return to school)

Years 3-6:

1.30-3.30

End of year reports collection

Dear parents and Carers, reports can be collected from your class teacher on **Thursday 12th July, 3.45-6.00pm**. Teachers will also be available to discuss reports. You will also find out what class your child will be in for next year!

Summer Reading Challenge 2018 Mischief Makers

THE READING AGENCY AND LIBRARIES PRESENT

What is the Summer Reading Challenge?

The Summer Reading Challenge takes place every year during the summer holidays. You can sign up at your local library, and then read six library books of your choice to complete the challenge. There are exclusive rewards to collect along the way, and it's FREE to take part!

Application forms to sign up will be given out daily at school. Don't forget to sign up!

The Summer Reading Challenge 2018 is called Mischief Makers. Take a trip to Beanotown, where rumour has it there's a treasure chest full of epic pranks waiting to be discovered...

Year 5 Science lessons at Saint Thomas the Apostle School (STAC)

School Food Matters - Young Marketeers at Borough Market

The Young Marketeers programme started with a whole school assembly delivered by FareShare where we learnt about the challenges of food poverty and the absurdity of food waste. All proceeds from the three Young Marketeers sale will be going to FareShare and every £ raised = 4 meals for vulnerable families.

For our summer sale, Chris Collins, Blue Peter Gardener taught our children the art of growing veg from seed and Borough Market traders shared their trade secrets on how to create a winning market stall. In June, we received a visit from a skilled horticulturist and received further tips on how to ensure a bumper crop. School Council set up shop this Wednesday (4th July) alongside Borough Market traders to sell their school grown produce and raised £71.50 in two hours! What a fantastic achievement for such a worthy cause.
