

Hollydale Primary School: Autumn 2 2018

Our Topic this half term is the Tudors!

We will be learning about all aspects of Tudor life as well as looking at the Spanish Armada. Pupils will complete the topic with a full day of Tudor themed festivities including a banquet with a special royal guest!

Please come and join us for a special assembly to celebrate all that we have been learning in Black History Month on Thursday 8th November.

If you have any questions about your child's learning or any other aspect of Cedar Class life, please do not hesitate to come and see me before or after school. Thank you for your support and I look forward to the term ahead.

Regards, *Miss Handley*

Class Teacher – Miss Handley
Support Staff: Miss Lewis, Mr Phipps

Autumn 1 2018- This half term Lower Key Stage 2 (Year 3 and 4) will be learning about the following topics:

English	We will begin the term by reading 'The Tear Thief' by Carol Anne Duffy. We will use this to inspire our own writing of letters in role, poems, and posters. We will then read Cautionary Tales by Hilaire Belloc in which we will explore a range of scenarios and their consequences, eventually innovating upon a known cautionary tale. Using the First Drawing by Mordicai Gerstein we will write diary entries, explore the conventions of speech, create character descriptions and finish by writing our own historical narratives. Grammar will be focusing on adverbial clauses. Spelling lists will be sent home every week and tested the following week. We will continue to focus on the Year 3/4 spelling rules and patterns such as prefixes, suffixes and homophones.
Reading Records	The children will bring home a book from the class book corner or the school library every night. Please read and discuss the book with your child. Children must record in the reading records every time they read at home. Please note that children are required to have their book bag with their reading record inside every day.
Maths	In Numeracy pupils will continue to apply their learning about place value through addition and subtraction of 3 digit numbers. We will then move on to multiplication and division where knowing their timestables will be particularly helpful. Please ensure that your child knows number bonds to one hundred and all times tables and related division facts (2, 3, 4, 5, 8 and 10) —it is vital that children know these in order to progress in numeracy.
Science	Our topic this half term is Sound. We will undertake a range of investigations to: <ul style="list-style-type: none">• Identify how sounds are made, associating some of them with something vibrating• Recognise that vibrations from a sound travel through a medium to the

	<p>ear.</p> <ul style="list-style-type: none"> • Find patterns between the pitch of a sound and features of the object that produced it • Find patterns between the volume of a sound and the strength of the vibrations that produced it. • Recognise that sounds get fainter as the distance from the sound source increases.
Computing	Computing this term will focus on an introduction to coding.
History/ Geography	This term we will study the Tudors. This is a history topic in which we will be answering the questions: Who were the Tudors? When did they live? What was life like? How was it different to now? What were the key events?
Art/Design & Technology	We will be creating a picture of ourselves in the style of Tudor portraits using mixed media.
P.E.	Cedar will have PE on a Wednesday morning. Please ensure that your child/children have the following kit for PE: Black tracksuit bottoms, a white t-shirt and black trainers or plimsolls. We are welcoming a new coach to the Sports team.
Music	LKS2 will have ukulele lessons from a specialist teacher.
R.E.	Throughout the year we will be investigating the question: How are symbols and sayings important in religion? This term we will be looking at the significance of light across different religions through festivals, artefacts and stories.
Modern Languages	Spanish will be taught by our specialist teacher.
P.S.H.E. & Citizenship	Our focus this half term will be “Being Me in My World” in which we will explore our role in our families, our school and the wider community.
Homework	Each Friday your child will be set literacy and numeracy tasks. These must be returned the following Tuesday. Children should continue to learn their times tables , which will be tested on a regular basis. Children can practice using Timestable Rockstars, for which they have their own login. Additional maths homework will be assigned on the Mathletics website, for which each child also has their own username and password. Children should also learn spellings which will be sent home every week and tested the following week.
